Middle Bass Island Ohio

South Bass Island and North Bass Island is approximately 1.0 mi (1.6 km) north of Middle Bass Island... dbf437e31c The island was landed upon by French explorer, Robert La Salle, in 1679. The abundance of wildflowers on the island impressed La Salle and his crew so much that they appropriately named it Isle des Fleures, the Island of Flowers. It would retain this name for the next 200 years until it was acquired by a German count in 1856. With the aid of immigrant German workers, the island was used for grape cultivation. This proved to be a very successful undertaking. Old aerial photos of the island (and its neighbor, North Bass Island) show the majority of the island covered with neat rows of grapevines. dbf437e31c

Charles Andres House Andres bought the 17-acre (6. Ohio's Lake Erie islands, particularly the Bass Islands, were a major winemaking center in the nineteenth century, and most of its wineries were small operations run by German immigrants such as Andres. The two-story house has a vernacular design which incorporates elements of the Italianate and Greek Revival styles.
