

Best Car Speaker Brands

Marketed nearly exclusively as a four-door sedan (a two-door sedan was offered for 1981 only), many examples of the Town Car were used for fleet and livery (limousine) service. From 1983 to its 2011 discontinuation, the Town Car was the longest car produced by Ford worldwide, becoming the longest mass-production car sold in North America from 1997 to 2011. While not a direct successor of the Town Car, the Lincoln MKS would become the longest American sedan until 2016 (overtaken by the Cadillac CT6).

History

Development of the Cirrus started in 1991, with the goal of creating an affordable, expressive-looking, fun-to-drive vehicle that was still safe enough to transport an everyday family.

Anker was founded in 2011 by Steven Yang in Shenzhen, Guangdong, but the company moved its headquarters to Changsha, Hunan. In 2011, Anker expanded its focus from replacement laptop batteries to smartphone battery chargers, wall adapters, portable power banks, and conferencing gear. In early 2014, Anker Innovations hired Zhao Dongping, Google's then-head of sales in China, who became president in 2020.

Description

Overview

The effect of speaker wire upon the signal it carries has been a much-debated topic in the audiophile and high fidelity worlds. The accuracy of many advertising claims on these points has been disputed by expert engineers who emphasize that simple electrical resistance is by far the most important characteristic of speaker wire.

Rogers International brand was sold off to its new Chinese owners Wo Kee Hong Holdings, who had since developed the Rogers brand to include surround sound speakers, car audio Rogers is a British brand name of Rogers International Ltd, a subsidiary of Wo Kee Hong Holdings Ltd, a company based in Hong Kong that produces a variety of audio electronic products

History
