Grand Confort "Here Are All The Designer Chairs Featured In Spy×Family So Far". It was designed as a modernist response to the traditional club chair in 1928 by a team of three: Charlotte Perriand with Le Corbusier, and his cousin and colleague Pierre Jeanneret. Anime News Network Grand Confort is a cube-shaped high armchair, whose leather cushions are held in a chrome-plated steel corset. The chairs were put on the market with the Le Corbusier Collection brand, but the true designer was Perrian, since Le Corbusier dismissed design of furniture as "le blah, blah, blah".
