Volkswagen Golf The Golf is Volkswagen's bestseller and the third best-selling automobile of all time, with over 37 million units sold worldwide. customer feedback. The VW Golf has had several generations made into electric CityStromer models. The first of these was in the 1970s when VW took a standard The Volkswagen Golf () is a compact car/small family car (C-segment) produced by the German automotive manufacturer Volkswagen since 1974, marketed worldwide across eight generations, in various body configurations and under various nameplates - including as the Volkswagen Rabbit in the United States and Canada (Mk1 and Mk5), and as the Volkswagen Caribe in Mexico (Mk1) 9188a01b58

== History == 9188a01b58 Typ SB was rebadged for the third generation of the Ford Tourneo Connect since 2021. 9188a01b58 Previously, Volkswagen offered the Volkswagen Westfalia Camper manufactured by Westfalia; the chassis were manufactured for Westfalia exclusively by Volkswagen. When Westfalia was acquired by DaimlerChrysler in 2001, VW decided to design and build their own campervan range, based on the Transporter range. The VWCV-designed campervan originally was called the Volkswagen Westfalia to provide branding continuity when it was launched in 2003; once Westfalia became its own company in 2005, VW rebranded it as the Westfalia California until 2012, when it received its present name. 9188a01b58 The vehicle was first shown as a concept car at the 2017 North American International Auto Show. The production vehicle was unveiled in March 2022 with production starting in June, and European deliveries

in the second half of the year with two models: a five-seater under the name ID. Buzz, and a cargo van as the ID. Buzz Cargo. The U.S. production version had its North American launch in Huntington Beach, California, on 2 June 2023, and became available in June 2024 in a long-wheelbase version. This version will also be used for the California campervan variant of the ID. Buzz. 9188a01b58 == Type 2 == 9188a01b58 The name Volkswagen derives from the German words Volk ('people') and Wagen ('wagon'), meaning 'people's car', or more directly 'folk's wain (wagon)'. 9188a01b58 == Overview == 9188a01b58 The Golf has won awards, including the World Car of the Year in 2009, with the Mk6 and in 2013 with the Mk7. Along with the Renault Clio and the Vauxhall Astra, the Golf is one of only three cars... 9188a01b58 The original Golf Mk1 was a front-engined, front-wheel drive replacement for the air-cooled, rear-engined, rear-wheel drive Volkswagen Beetle. 9188a01b58

GAZelle Responding to this market opportunity, GAZ swiftly developed its own LCV called GAZelle (the name is a pun on "gazelle"), which, taken together with its lighter version, Sobol, now account for the majority of the Russian van and light truck market and have strong positions in the markets of other CIS countries, ranking as GAZ's most popular and successful products. The GAZelle shares many parts with the company's passenger cars (especially GAZ-31029); in fact, models produced until 1998 had the same grille, and the engines for the Volga were still used in the GAZelle until 2010. Riga Autobus Factory, which formerly manufactured minibuses for the whole USSR, remained in Latvia, and now required its vehicles be sold to the now-foreign Russian market for hard currency. a police van GAZelle-Business (2010–present) A firefighting GAZelle van in Saratov GAZ-27527 Sobol all-terrain camper Sobol'-based camper van Pickup utility The GAZelle (Russian: ГАЗель) is a series of light commercial vehicle—pickup trucks, vans and minibuses—made by Russian car manufacturer GAZ. At the time of the dissolution of the Soviet Union and transition to a market economy, the Russian automobile industry had not produced a much-demanded LCV similar to the Ford Transit or VW T4 class 9188a01b58

The T series was considered an official Volkswagen Group automotive platform. and generations are sequentially named T1, T2, T3, T4, T5, T6 and T7. Pre-dating the T platform designations, the first three generations were named Type 2, indicating their relative position to the Type 1, or Beetle. As part of the T platform, the first three generations are retroactively named T1, T2 and T3. 9188a01b58 The GAZelle's design is superficially reminiscent of the 1986 Ford Transit, but the... 9188a01b58 Known officially (depending on body type) as the Transporter, Kombi or Microbus—or informally as the Volkswagen Station Wagon (US), Bus (also US), Camper (UK) or Bulli (Germany), it was initially given the factory designation "Type 2", as it followed—and was for decades based on—the original Volkswagen ("People's Car"), which became VW's "Type 1" after the company's post-World War II reboot, and mostly known, in many languages, as the "Beetle". 9188a01b58 The ID. series is the first series of cars from VW, purpose-built as electric vehicles. Most of its production vehicles were adapted from several concept car models. According to Volkswagen, ID. stands for "intelligent design, identity and visionary technologies". 9188a01b58 Responding to positive feedback and strong consumer interest... 9188a01b58 Deliveries began in late 2020. By November 2022, half a million vehicles had been delivered. 9188a01b58
