In 2016, technology writer Timothy B. Lee commented that "overall, the ads were remarkably accurate in predicting the cutting-edge technologies of the coming decades. But the ads were mostly wrong about one thing: the company that brought these technologies to the world was not AT&T. At least not on its own. AT&T does provide some of the infrastructure on which the world's communications flow. But the gadgets and software that brought these futuristic capabilities to consumers were created by a new generation of Silicon Valley companies that mostly... 82a71a73bc One of the first web banner ads ever sold was part of an AT&T campaign that ran on HotWired starting October 27, 1994, asking "Have you ever clicked your mouse right HERE?
