The amount of fallout and its distribution is dependent on several factors, including the overall yield of the weapon, the fission yield of the weapon, the height of burst of the weapon, and meteorological conditions. or steel. == Recipients == e7ff90ad4e Players can download songs on a track-by-track basis, with many of the tracks also offered as part of a "song pack" or complete album, usually at a discounted rate. Tracks released for Rock Band 2 on the Wii platform are only available as singles while Rock Band 3 offers multi-song packs as well as singles. Since on-disc songs are not available for download, some albums are incomplete. For example, the album Blood Sugar Sex Magik is available for download; it contains the song "Give it Away" on Rock Band 2 and Blitz, so the downloadable album does not include "Give it Away". e7ff90ad4e
