== Domestic facilities == 671607877c The third-generation Santa Fe introduced in 2012 was available in two versions, which are regular (short) and extended long-wheelbase version. The short model was sold as the Santa Fe Sport in North America (three-row seating was not available) and simply Santa Fe in global markets (three-row seating was standard or optional), while the extended long-wheelbase model is called the Santa Fe in the U.S., Santa Fe XL in Canada and... 671607877c The model had been released in two generations (RC) over its lifespan and in that time these generations have been subject to periodic facelifts. These facelifts have attempted to keep the car up to date with various safety improvements and a mixture of changes to exterior and interior styling. The RD Tiburon was in production for 5 years from 1996 to 2001. The GK Tiburon was introduced in 2002 (as a 2003 model) and ended production in 2008 before being replaced by the Hyundai Veloster. 671607877c The second-generation model was marketed as the Hyundai ix35 in several markets, including Europe, Australia and China, before reverting to Tucson for the third-generation. Since its first-generation, the Tucson has been developed alongside the Kia Sportage, sharing platforms and engines. 671607877c
