Although it was the first of the Bond books to be made into a film, Dr. No was the sixth of Fleming's series, beginning with Casino Royale. The film makes a few references to threads from earlier books, and later books in the series as well, such as the criminal organisation SPECTRE, which was not introduced until the 1961 novel Thunderball. Produced on a low budget, Dr. No was released by United Artists on 5 October 1962 and was a financial success. While the film received a mixed critical...
