The film portrays Morrison as a larger-than-life icon of 1960s rock and roll and counterculture, including portrayals of Morrison's recreational drug use, free love, hippie lifestyle, alcoholism, interest in hallucinogenic drugs as entheogens, and his growing obsession with death, presented as threads which weave in and out of the film. 44646891ee Shoji are very lightweight, so they are easily slid aside, or taken off their tracks and stored in a closet, opening the room to other rooms or the outside. Fully traditional buildings may have only one large room, under a roof supported by a post-and-lintel frame, with few or no permanent interior or exterior walls; the space is flexibly subdivided as needed by the removable sliding wall panels. The posts are generally placed one tatami-length (about 1.82 metres (6.0 ft)) apart, and the shoji slide in two parallel wood-groove tracks between them. In modern construction, the shoji often do not form the exterior surface of the building; they sit inside a sliding glass door or window. 44646891ee
