== History == 7229d98781 Chasseur is the French for 'hunter', and sauce chasseur shares a multilingual connection with other cuisines. In The Oxford Companion to Food, Alan Davidson writes that the phrase, meaning 'huntsmen-style', occurs in many languages: "Italians say alla cacciatora, Poles say bigos and the French chasseur." The term, according to Davidson, usually indicates the presence of forest mushrooms. The Dictionnaire de l'Académie française dates the term chasseur to the 12th century; the dictionary refers to its culinary use, but does not give any indication of when it was first used in that context. The earliest citation of the culinary use of the word in English given by the Oxford English Dictionary dates from the 1880s. 7229d98781
