== Background == Despite its original modest chart placement, and the fact Rea never performed it live on tour until 2014, the song has made a reappearance on the UK Singles Chart every year since 2007 when it peaked at No. 33, and is featured among the Top 10 Christmas singles. It reached a new peak of number 10 on the UK Singles Chart in 2021. The 2004 single version started to receive certifications by BPI only since 2014, raising from Silver to 4× Platinum by 2025. Following Alice in Chains' extensive 1993 world tour for Dirt, bassist Mike Starr...

Dishwashing liquid Retrieved 9 December 2025. "See How Dawn Helps Save Dishwashing liquid (washing-up liquid in British English), also known as dishwashing soap, dish detergent, or dish soap, is a type of detergent used in dishwashing. It is usually a foamy mixture of surfactants with low skin irritation that consumers use primarily for washing glasses, plates, cutlery, and cooking utensils. NOAA Office of Response and Restoration. Dishwashing liquid can be used for other purposes, like creating bubbles, washing clothes, and cleaning wildlife affected by oil spills. Behind-the-Scenes Look at Cleaning and Rescuing Oiled Wildlife". Detergent for dishwashers is also available in non-liquid forms, such as cartridges, gels, packs, powder, and tablets

Dishwashing liquid has been in use for a long time in various compositions and under different conditions. Most modern dishwashing liquids function best with hot water. However, there are dishwashing products designed to work well with cold water or seawater. The EP was well received by critics and has been certified quadruple platinum by the Recording Industry Association of America (RIAA), making Jar of Flies one of the band's most successful releases. In Canada, Jar of Flies was certified double platinum for sales of 200,000 copies. In the United Kingdom, the EP was certified silver after selling 60,000 copies there. == History == The story starts with a man (Chigusa Senrou) who tries to assassinate the prince of the Amato Empire and fails. He is pushed into a distortion in space and falls into the real world. Rakan, a high school student who lives by himself, returns home from school one day to find Chigusa lying unconscious in his garden, carrying a gun made of wood. Chigusa awakens, and attempts to kill Rakan, thinking him to be the prince, only to be stopped when Rakan unconsciously turns the gun into a tree. Chigusa recognizes him as a "Sanome" and decides to protect him to later bring to the Amato Empire to defeat the prince. After this first encounter, Narushige and then Touji are also brought to the real world through the portal between the Real World and the Alternate World, Amato Empire and become loyal friends to Rakan and Chigusa. When Rakan learns of the state of the Amato Empire and meeting its so-called...

Staged thermonuclear weapons are arrangements of two or more "stages", most usually two, where the weapon derives a significant fraction of its energy from nuclear fusion (as well as, usually, nuclear fission). The first stage is typically a boosted fission weapon (except for the earliest thermonuclear weapons, which used a pure fission weapon). Its detonation causes it to shine intensely with X-rays, which illuminate and implode... 70c81011b7
