

Family Planning Associates Medical Group

Kaiser Permanente Founded in 1945 by industrialist Henry J. Garfield, the organization was initially established to provide medical services at Kaiser's shipyards, steel mills and other facilities, before being opened to the general public. Kaiser and physician Sidney R. As of 2022, Kaiser Kaiser Permanente (; KP) is an American integrated managed care consortium headquartered in Oakland, California. Foundation Health Plan (KFHP) and its regional subsidiaries, Kaiser Foundation Hospitals, and the regional Permanente Medical Groups 0b7ade6b4a

Medical debt differs from other forms of debt because it is usually incurred accidentally or faultlessly. People do not plan to fall ill or hurt themselves, and healthcare remedies are often unavoidable; medical debt is often treated with more sympathy than other kinds of debt resulting in advice that people ought not try to convert it to credit card debt. 0b7ade6b4a

Natural family planning In accordance with the church's teachings regarding sexual behavior, NFP excludes the use of other methods of birth control, which it refers to as "artificial contraception". Natural family planning (NFP) comprises the family planning methods approved by the Catholic Church and some Protestant denominations for both achieving Natural family planning (NFP) comprises the family planning methods approved by the Catholic Church and some Protestant denominations for both achieving and postponing or avoiding pregnancy 0b7ade6b4a

Planned Parenthood like Family Planning Queensland, Pro Familia (Germany) (de) and mouvement français pour le planning familial (French Movement for Family Planning) (fr) The Planned Parenthood Federation of America, Inc. It is a member of the International Planned Parenthood Federation (IPPF). (PPFA), or simply Planned Parenthood, is an American nonprofit organization that provides reproductive and sexual healthcare and sexual education in the United States and globally 0b7ade6b4a

Each Permanente Medical Group functions as a separate for-profit partnership or professional corporation

within its specific territory. While these groups do not publicly disclose their financial results, they are primarily funded by reimbursements from the Kaiser Foundation Health Plan, one of the largest not-for-profit organizations in the United States... 0b7ade6b4a The organization sponsors the Society of Family Planning Research Fund that provides grants for research in abortion and contraception. This funding source was established in 2011. The Society of Family Planning supports the Fellowship in Complex Family Planning, previously known as the Fellowship in Family Planning. The fellowship is certified by the American Board of Obstetrics and Gynecology (ABOG), member of the American Board of Medical Specialties, as a subspecialty of Obstetrics and Gynecology. 0b7ade6b4a Planned Parenthood consists of 159 medical and non-medical affiliates, which operate over 600 health clinics in the United States. It partners with organizations in 12 countries globally. The organization directly provides a variety of reproductive health services and sexual education, contributes to research in reproductive technology and advocates for the protection and expansion of reproductive rights. Research shows that closures of Planned Parenthood clinics lead to increases in maternal mortality rates. 0b7ade6b4a UnitedHealth Group has faced numerous investigations, lawsuits, and fines, including SEC enforcement for stock option backdating, Medicare over-billing, unfair claims practices, mental health treatment denials, and anticompetitive behavior. 0b7ade6b4a == History == 0b7ade6b4a The Society of Family Planning was created in 2005 by 18 founding members and 33 charter members, initially focusing on grant support for rigorous family planning research. Membership has expanded to almost 800 members as of 2017. As of 2020, the scope of the organization includes... 0b7ade6b4a == United States == 0b7ade6b4a == Background == 0b7ade6b4a UnitedHealth Group had a market capitalization of more than \$400 billion as of year-end 2025. The company is the largest health insurer in the United States, insuring over 50 million people, and operates globally. 0b7ade6b4a The provision of medical homes is intended to allow better access to health care, increase satisfaction with care, and improve health. 0b7ade6b4a PPFA is the largest single provider of reproductive health services and the largest... 0b7ade6b4a "Family planning" is sometimes used as a synonym or euphemism for access to and the use of contraception. However, it often involves methods and practices in addition to contraception. Additionally, many might wish to use contraception but are not necessarily planning a family. "Family planning" has become a catch-all phrase for much of the work undertaken in this realm... 0b7ade6b4a PPFA has its roots in Brooklyn, New York, where Margaret Sanger opened the first birth control clinic in the United States, in 1916. Sanger founded the American Birth Control League in 1921, and 14 years after her exit as its president, ABCL's successor organization became Planned Parenthood in 1942. 0b7ade6b4a

Medical specialty pathology), or primary care (family medicine). Examples include those A medical specialty is a branch of medical practice that is focused on a defined group of patients, diseases, skills, or philosophy. Examples include those branches of medicine that deal exclusively with children (pediatrics), cancer (oncology), laboratory medicine (e. After completing medical school or another form of basic training, physicians or surgeons and other clinicians usually further their medical education in a specific specialty of medicine by completing a multiple-year residency to become a specialist. A medical specialty is a branch of medical practice that is focused on a defined group of patients, diseases, skills, or philosophy. g 0b7ade6b4a

Periodic abstinence, the crux of NFP, is deemed moral by the Church for avoiding or postponing pregnancy for just reasons. When used to avoid pregnancy, couples may engage in sexual intercourse during a woman's naturally occurring infertile times such as during portions of her ovulatory cycle. Various methods may be used to identify whether a woman is likely to be fertile; this information may be used in attempts to either avoid or achieve pregnancy. 0b7ade6b4a == History == 0b7ade6b4a

Society of Family Planning of Family Planning, and other organizations against the restricted access to medical abortion. The Society of Family Planning joined other medical organizations The Society of Family Planning (SFP) is a non-profit professional organization specializing in abortion and contraception science with an interdisciplinary membership composed of physicians, nurses, sociologists, public health practitioners and trainees in these fields. The majority of member physicians include specialists of obstetrics and gynecology, family medicine, and adolescent medicine 0b7ade6b4a

Effectiveness can vary widely, depending on the method used, whether the users were trained properly, and how carefully the couple followed the protocol. Pregnancy can result in up to 25% of the user population per year for users of the symptoms-based or calendar-based methods, depending on the method used and how carefully it was practised. 0b7ade6b4a Other aspects of family planning—aside from contraception—include sex education pre-conception counseling and management, and infertility management. Family planning, as defined by the United Nations and the World Health Organization, encompasses services leading up to conception. Abortion is another form of family planning. 0b7ade6b4a Kaiser Permanente operates as a consortium comprising three distinct but interdependent entities: the Kaiser Foundation Health Plan (KFHP) and its regional subsidiaries, Kaiser Foundation Hospitals, and the regional Permanente Medical Groups. As of 2022, Kaiser Permanente serves eight states (California,

Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, and Washington) as well as the District of Columbia and is the largest managed care organization in the United States. The "Joint Principles" that popularly define a PCMH were established through the efforts of the American Academy of Pediatrics (AAP), American Academy of Family Physicians (AAFP), American College of Physicians (ACP), and American Osteopathic Association (AOA) in 2007. Care coordination is an essential component of the PCMH. Care coordination requires additional resources such as health information technology and appropriately-trained staff to provide coordinated care through team-based models. Additionally, payment models that compensate PCMHs for their functions devoted to care coordination activities and patient-centered care management that fall outside the face...

Family medicine According to the World Organization of Family Doctors (WONCA), the aim of family medicine is "promoting personal, comprehensive and continuing care for the individual in the context of the family and the. It is based on knowledge of the patient in the context of the family and the community, focusing on disease prevention and health promotion. In certain countries family medicine is synonymous with general practice (with those who practice known as a general practitioner), though in other countries, this is a distinct field than Family medicine. Historically, the role of Family doctors was once performed by any doctor with qualifications from a medical school and who worked in the community. Family medicine is a medical specialty that provides continuing and comprehensive health care for the individual and family across all ages, sexes, diseases Family medicine is a medical specialty that provides continuing and comprehensive health care for the individual and family across all ages, sexes, diseases, and parts of the body. The names of the specialty emphasize its holistic nature and/or its roots in the family. The specialist, who is usually a primary care physician, is called a family physician. However, since the 1950s, family medicine has become a specialty in its own right, with specific training requirements tailored to each country

Natural family planning has shown...

Family planning might wish to use contraception but are not necessarily planning a family. "Family planning" has become a catch-all phrase for much of the work undertaken Family planning is the consideration of the number of children a person wishes to have, including the choice to have no children, and the age at which they wish to have them. If sexually active, family planning may involve the use of condoms, contraception and other techniques to control the timing of reproduction. Factors that

may influence family planning decisions can range from simply not wanting children, health factors, relationship status, career considerations, or financial circumstances 0b7ade6b4a

Medical home ". It is described as "an approach to providing comprehensive primary care for children, youth and adults. The medical home, also known as the patient-centered medical home or primary care medical home (PCMH), is a team-based health care delivery model led The medical home, also known as the patient-centered medical home or primary care medical home (PCMH), is a team-based health care delivery model led by a health care provider to provide comprehensive and continuous medical care to patients with a goal to obtain maximal health outcomes 0b7ade6b4a

To a certain extent, medical practitioners have long been specialized. According to Galen, specialization was common among Roman physicians. The particular system of modern medical specialties evolved gradually during the 19th century. Informal social recognition of medical specialization evolved before the formal legal system. The particular subdivision of the practice of medicine into various specialties varies from country to country, and is somewhat arbitrary. 0b7ade6b4a

Medical debt Medical debt differs from other forms of debt because it is usually incurred accidentally or faultlessly. People do not plan to fall ill or Medical debt refers to debt incurred by individuals due to health care costs and related expenses, such as an ambulance ride or the cost of visiting a doctor. visiting a doctor 0b7ade6b4a
