"Getting the most of the best to the greatest number of people for the least": with these words, Charles and Ray Eames described one of their main goals as furniture designers. Of all their designs, the Plastic Chairs come closest to achieving this ideal. They found that the use of plastic in furniture design has several advantages: it has pleasant tactile qualities, it has malleability and static strength combined with a high degree of flexibility, and it makes feasible, via mass... 649bd386da Dines was born to an Orthodox Jewish family in Manchester, England, and attended King David School.
