== United States == c22412d15f "Virtually all" Coney Island variations were developed, apparently independently, by groups of European immigrants in the early 1900s, many fleeing the Balkan Wars, who entered the US through Ellis Island in New York City. Family stories of the development of the dishes often included anecdotes about visits to nearby Coney Island. The origin of the style is somewhat murky: there were parallel developments in New York, Michigan, Ohio, and elsewhere around the United States, especially where there were concentrations of immigrants from the Balkans. c22412d15f == Hot dog restaurants == c22412d15f == History... == c22412d15f Hot dogs are a very popular sandwich throughout the United States.
