The Gumball 3000 Rally takes approximately 120 vehicles across multiple countries on a 3,000 miles (4,800 km) journey that takes place across 6 days – occasionally including continental travel via cargo planes to transport vehicles by air. Entrants travel on public roads and use a mixture of vehicles ranging from custom classic cars to hypercars, and attend a VIP party, dinner or event each night. The rally features a number of exclusive experiences along the route that includes lunchtime checkpoints and overnight stops in major cities, where major public roads are often closed down to traffic for access of participating vehicles. The rally was founded in 1999 by Maximillion Cooper, initially as a road trip with his friends. Organisers emphasise that the event is a road trip and in no way a race or competition, with their rally slogan reading "It's a rally, not a race". 858122d58e == Saturday Night Magazine features == 858122d58e == Early life == 858122d58e == Rally format == 858122d58e
