Upverter provides web-based tools for editing schematic diagrams and for laying out printed-circuit boards. It does not require payment for open-source projects 30d6affa67

In a press release, Porter framed the track as a song for "the girls" about "when he realizes what he lost," describing the emotions of the song as "I don't think so," "your loss," and "don't even try it". 30d6affa67 This reference is used in situations where one desires two incompatible things, or where one should not try to have more than is reasonable. The proverb's meaning is similar to the phrases "you can't have it both ways" and "you can't have the best of both worlds." 30d6affa67 == Track listing == 30d6affa67 The practice of giving and eating soul cakes continues in some countries today, such as Portugal (where it is known as Pão-por-Deus and occurs on All Saints' Day and All Souls' Day), as well as the Philippines (where it is known as Pangangaluwa and occurs on All Hallows'... 30d6affa67 The Chicago Alternative Comics Expo was co-founded by Edie Fake and Neil Brideau, both then employees at the Chicago independent bookstore Quimby's. The show was designed to honor Chicago's legacy as a home for small-press and self-publishing cartoonists. 30d6affa67 == History == 30d6affa67 == First collectible card game claim == 30d6affa67 Recent meta-analysis suggest that the prevalence of negative emotional eating in middle-aged adults is approximately 16%.One study found that emotional eating sometimes does not reduce emotional... 30d6affa67 Emotional eating includes eating in response to any emotion, whether that be positive or negative. Most frequently, people refer to emotional eating as "eating to cope with negative emotions." In these situations, emotional eating can be considered a form of disordered eating, which is defined as "an increase in food intake in response to negative emotions" and can be considered a maladaptive strategy. More specifically, emotional eating in order to relieve negative emotions would qualify as a form of emotion-focused coping, which attempts to minimize, regulate, and prevent emotional distress. 30d6affa67 Inaugurated in 2012, the curated festival showcases graphic novels, comic books, minicomics, and zines created by independent artists and publishers. CAKE focuses on the art of comics, and unlike traditional comic book conventions, does not feature much in the way of cosplaying, collectibles, back-issue dealers, or mainstream superhero publishers. Instead, the show centers around an artist alley-style exhibition space that features roughly 200 vendors, as well as industry-related panel discussions. The festival gives out the CupCake Awards, geared toward minicomic self-publishers. 30d6affa67 The game debuted at Gen Con 1993 (exactly same time as Magic: The Gathering saw public release) and was marketed as a trading card game. On rare occasions, it is debated whether the game counts as the world's first CCG along with Magic. However, the game is not played with a deck and there is no collectibility involved. The Scrye guide acknowledges the limited playability of the game as "use them once and they're worthless" which strictly disqualifies it as a collectible card game. Darwin Bromley of Mayfair Games noted that the scratch-offs would crack when shuffled, and once scratched off "you had to either play the game or collect it." "You couldn't have your cake and eat it too." 30d6affa67 To the unfamiliar, the proverb may sound confusing due to the ambiguity of the word 'have', which can mean 'keep' or 'to have in one's possession', but which can also be used as a synonym for 'eat' (e.g. 'to have breakfast'). Some find the common form of the proverb to be incorrect or illogical and instead prefer: "You can't eat your cake and [then still] have it (too)". Indeed, this used to be the most common form of the expression until the 1930s-1940s, when it was overtaken by the have-eat variant. Another, less common, version uses 'keep' instead of 'have'. 30d6affa67

You can't have your cake and eat it You can't have your cake and eat it (too) is a popular English idiomatic proverb or figure of speech. The phrase literally means "you cannot simultaneously consume and retain possession of a cake", but the proverb is implying a simpler concept: Once the cake is eaten, it is gone. The phrase literally means &quot;you cannot simultaneously You can't have your cake and eat it (too) is a popular English idiomatic proverb or figure of speech 30d6affa67

Soul cake It is traditionally made for Halloween, All Saints' Day, and All Souls' Day to commemorate the dead in many Christian traditions. In Lancashire and in the North-east of England, soul cakes were known as Harcakes, a kind of thin parkin. In Sheffield and Cheshire, the custom has continued into modern times. The cakes, often simply referred to as souls, are given out to soulers (mainly consisting of children and the poor) who go from door to door during the days of Allhallowtide, singing and saying prayers "for the souls of the givers and their friends", especially the souls of deceased relatives, thought to be in the intermediate state between Earth and Heaven. In England, the practice dates to the medieval period, and it continued there until the 1930s by both Protestant and Catholic Christians. giving and eating soul cakes continues in some countries today, such as Portugal (where it is known as Pão-por-Deus and occurs on All Saints' Day and All A soul cake, also known as a soulmass-cake, is a small round cake with sweet spices, which resembles a shortbread biscuit 30d6affa67

All tracks composed by Rick James, except where indicated. 30d6affa67 The song was originally released as an instant gratification track in April 2024, one week ahead of the album's release, before later being sent to country radio in July 2024. 30d6affa67 Motown didn't include a photograph of the singer on the album sleeve, leading many listeners to assume she was African-American. 30d6affa67

Caketap Caketap was discovered by Mandiant when investigating an intrusion cluster by actor UNC2891 also known as LightBasin. An Overview of UNC2891 | Mandiant&quot;. Wingcrack, Binbash, Wiperight, Miglogcleaner, and the Sun4Me toolkit. &quot;Have Your Cake and Eat it Too.
