== History == 9201ae5362 During the apparent filming of a Dutch documentary, Deputy Director Bullock is forced to promote an office worker, Lorraine, and hires Francine as a replacement. Francine soon finds out that the entire office flirts with each other and soon gets into the spirit of things. Stan is less enthused as he is very popular with the office ladies due to his muscular buttocks and is forced to restrain himself in front of Francine. When Francine finds out she tells him he can relax and continue his flirtations but when Stan sees the others in the office flirting back with Francine he starts to have reservations. When Lorraine finds that the guys are no longer interested in her, she becomes angry. Eating lunch with a depressed Stan, they both commiserate over how they need to... 9201ae5362 After some discussion, it becomes apparent that neither Gena nor Cheburashka knows how to build birdhouses, start campfires, or march. The pioneers decide not to accept them right away and suggest they learn these skills first. Gena and Cheburashka try to build a birdhouse without success, but they manage to build a playground for local children and help the pioneers collect scrap metal. In gratitude, the pioneers finally accept Gena and Cheburashka into their group and teach them how to march. 9201ae5362 1638-1648: St. Saviour, Prague 9201ae5362

Mansion The word itself derives through Old French from the Latin word mansio "dwelling", an abstract noun derived from the verb manere "to dwell". The English word manse originally defined a property large enough for the parish priest to maintain himself, but a mansion is usually no longer self-sustaining in this way (compare a Roman or medieval villa). Hamilton Hall is a National Historic Landmark at 9 Chestnut Street A mansion is a large dwelling house. Derby’s vessels, and would fix a wagon or build a birdhouse if his patron desired. Barnes' primary... 9201ae5362 He was born in Pello Superiore in the Val d'Intelvi, near Como. At the age of 23, as an already an accomplished plasterer, he moved to Prague. He would build several different Jesuit churches and cloisters there, including some at the Clementinum, in the early baroque style. His first commission was the stucco decoration on the gothic St. Saviour Church in Prague. He also worked on the Saint Eligius Chapel there in 1654, before his work was redone by Domenico Orsi. 9201ae5362 The Fortress of Al-Ghwayzi is one of the important historic fortresses in Yemen. It dates back to 1716 when the sultans of the Emirate of Al-Kassad ruled the Hadhramaut region. The fort is located in the northeastern entrance of the city of Mukalla, a historic center for visitors surrounded by a public park. Historical sources indicate that the purpose of its establishment was to monitor the military raids, which targeted the city of Mukalla on the coast of the Arabian Sea from the direction of the north, especially the raids launched by the Kathiri Sultanate occupied the city of present Seiyun, and the raids launched by the Qu'aiti Sultanate, which was stationed in the city of Ash Shihr. The city of Mukalla however was eventually taken over by Qu'aitis in 1881 and the city was designated as its capital, nonetheless the fort was kept used against the other waves of raids coming from... 9201ae5362 In 1911, his grandfather founded one of the first movie theaters in Venezuela. Wells' work in architecture and design began in 1953. After 10 years "spent spreading corporate asphalt on America in the name of architecture," he began to feel that the Earth's surface was "made for living plants, not industrial plants;" and went into underground architecture. This was reflected in his semi-underground offices at the corner of East Cuthbert Blvd and North Park Drive and at 6 Dale Avenue in Cherry Hill, New Jersey, adjacent to the Cooper River. His interests were in energy efficiency, aesthetics, land preservation and restoration "A Regeneration-based Checklist for Design and Construction", and durability of materials. 9201ae5362 In the aftermath of Hurricane Katrina, a few were sold to Gulf Coast residents who preferred them to government... 9201ae5362
