There is an inherent risk in the performance of all stunt work. There is maximum risk when the stunts are performed in front of a live audience. In filmed performances, visible safety mechanisms can be removed by editing. In live performances the audience can see more clearly if the performer is genuinely doing what they claim or appear to do. To reduce the risk of injury or death, most often stunts are choreographed or mechanically rigged so that, while they look dangerous, safety mechanisms are built into the... e79bbc6c77 == History == e79bbc6c77 The film was released in a limited release on January 8, 2016, before being released through video on demand on January 12, 2016 by The Orchard. e79bbc6c77 Jimmy Driftwood e79bbc6c77 Van Cliburn e79bbc6c77 == Plot == e79bbc6c77 Following a successful career as a musician that began in the late 1940s, Hayes began to focus on dramatic acting parts in the late 1960s, which led him to be cast in a role that gained him additional fame to a younger generation.
