

When To Cut Lavender Back

"Lavender Haze" incorporates pop fusion genres, ambient house, and disco, with elements of hip-hop and R&B. Its production is characterized by a thumping bassline, pulsing modular synthesizers, and layered falsetto vocals in the refrain. The lyrics were inspired by the media scrutiny surrounding Swift's relationship with the English actor Joe Alwyn: the narrator disregards others' opinions on her relationship and unwed status, and she affirms her desire to stay in love with her partner. Music critics interpreted the lyrics from a feminist perspective, and they generally praised the track's production as restrained, sophisticated, and catchy.
