After a transformative period in Paris, Van Gogh embarked on his most prolific periods starting in Arles, in the south of France and continuing until his final days in Auvers-sur-Oise. During those times his work became more colorful and more reflective of influences, such as Impressionism and Japonism. Japonism influences are understood in the painting of a young girl, La Mousmé. Among others, he was inspired by the work of Jean-François Millet which he

0b9a3a9e09 The painting depicts a naked young woman dressing a little girl in the open hall of a village bathhouse under the rare spring snow. The painting was shown at the very beginning of the Khrushchev Thaw and made a strong impression on experts and public in general. The female nudity had long been poorly represented in Soviet painting. The unusual subject provoked contradictory opinions. In particular, the artist was accused of wanting to depict the naked female body in order to show the audience the poverty of peasant life in his contemporary kolkhoz village. Currently, the painting forms part of the New Tretyakov Gallery collection and permanent exhibition. It was presented many times at exhibitions in museums of the USSR, modern Russia, as well as abroad. 0b9a3a9e09 Lowry holds the record for rejecting British honours—five, including a knighthood (1968).
