== Types == In the 1980s, home cinemas typically consisted of a movie pre-recorded on a LaserDisc or VHS tape; a LaserDisc Player or VCR; and a large-screen cathode-ray tube TV set, although sometimes CRT projectors were used instead. In the 2000s, technological innovations in sound systems, video player equipment, TV screens and video projectors changed the equipment used in home cinema set-ups and enabled home users to experience a higher-resolution screen image, improved sound quality and components that offer users more options (e.g., many Blu-ray players can also stream movies and TV shows over the Internet using subscription services such as Netflix). The development of Internet-based subscription services means that 2020s-era home theatre users do not have to commute to a video rental store as was common in the 1980s and 1990s. Designers such as Arne Jacobsen and Hans Wegner helped bring about a thriving furniture industry from the 1940s to the 1960s. Adopting mass-production techniques and concentrating on functional form, Finn Juhl contributed to the style's success. Additionally, minimalist Danish housewares such as cutlery and trays of teak and stainless steel and dinnerware such as those produced in Denmark for Dansk International Designs in its early years, expanded the Danish modern aesthetic beyond furniture.

Danish modern leather back and seat, his light, open Spokeback Sofa (1945), and the low robust Spanish Chair (1959). In the 1920s, Kaare Klint embraced the principles of Bauhaus modernism in furniture design, creating clean, pure lines based on an understanding of classical furniture craftsmanship coupled with careful research into materials, proportions, and the requirements of the human body. == Childhood == a28be47fd4 Dark or gilded carved wood and richly patterned fabrics gave way to the glittering simplicity and geometry of polished metal. The forms of furniture evolved from visually heavy to visually light. This shift from decorative to minimalist principles of design can be attributed to the introduction of new technology, changes in philosophy, and the influences of the principles of architecture. As Philip Johnson, the founder of the Department of Architecture and Design at the Museum of Modern Art articulates: a28be47fd4 All nanny vans in service today are required by the

government to have both the Chinese text "学校私人面包车" and the English text "SCHOOL PRIVATE LIGHT BUS" in capital letters painted on the sides of the vans. There were 1769 such buses registered with the Transport Department in 2014. a28be47fd4 == History == a28be47fd4

Bench (furniture) forward a courting bench (or kissing bench, or tête-à-tête): a two-seater with the seats pointing in opposite directions, thus almost facing each other A bench is a long seat on which several people may sit at the same time. Benches may be placed outdoors or indoors, but are more often found outdoors. In many American public areas, benches may be donated by persons or associations, as indicated by an affixed plaque, a common form of memorial to a deceased person (see memorial bench). Memorial benches can also be found in other countries. Arm rests are another common feature. Benches are typically made of wood, but may also be made of metal, stone, or synthetic materials. Many benches have back rests, while others do not and can be accessed from either side a28be47fd4

She had an older brother, Griffith Owen (1912–1933), and two sisters, Cynthia (born 1916) and Daphne (born 1922); "I started life as a disappointment – because I wasn't a boy", she recalled. "I continued being a disappointment – because I was ugly. Instead of minding, I determined to ride better, run faster, be funnier and give more generous presents than the rest of the family." Their father, Griffith Robert Poyntz Llewellyn, was dashing, popular and extravagant; his lack of caution was to have disastrous consequences, and he lost the family fortune on horses and houses when Hermione was thirteen. "We became poor very quickly", she reported. Their mother, Emily Constance (née Elwes), became mentally ill during Hermione's childhood and was diagnosed with manic-depression. The family accompanied her to Switzerland for treatment. There... a28be47fd4 == Career == a28be47fd4
