== Description == 021cb49912 Early publications of candle salad recipes appeared in the 1910s, and by the 1920s it was popularly served at holidays and among women, away from men prone to make jokes about its appearance. During the 1950s, the candle salad was associated with children, and recipes were published in cookbooks written for a young audience. By the middle of the decade, segments of the population were beginning to view candle salads as old-fashioned, and over the next few years they fell from popularity. In the 21st century, its appearance is most often understood as phallic and is most often invoked as a punchline. 021cb49912 Garden salads have a base of raw leafy greens (sometimes young "baby" greens) such as lettuce, arugula (rocket), kale or spinach; they are common enough that the word salad alone often refers specifically to garden salads. Other types of salad include caprese salad, bean salad, tuna salad, bread salads (such as fattoush, panzanella), vegetable salads without leafy greens (such as Greek salad, potato salad, coleslaw), rice-, pasta- and noodle-based salads, fruit salads and dessert
