Van Gogh's own title for this composition was simply The Bedroom (French: La Chambre à coucher). There are three authentic versions described in his letters, easily distinguishable from one another by the pictures on the wall to the right. 700d810cd1 == Early history of the room == 700d810cd1

Imperial Bedroom Songs were rewritten constantly while Costello tinkered with the recordings, adding numerous overdubs. Recording took place at AIR Studios in London from late 1981 to early 1982 with production handled by Geoff Emerick. It was released on 2 July 1982 through F-Beat Records in the United Kingdom and Columbia Records in the United States. Placing an emphasis on studio experimentation, the album saw the group use unusual instruments, including harpsichord, accordion and strings arranged by Nieve. This level was added during the 1948–1952 renovation, and contains the air conditioning and water softening equipment. The sub-basement and mezzanine also contain storage areas, the heating system, elevator machinery rooms, an incinerator, a medical clinic, a dentist's office, the electrical control system, a laundry room, and flatware and dishware storage. 700d810cd1 The Blue Room is considered to be one of the earliest examples of a work from Picasso's Blue Period. This was an important period in his life when he moved to Paris from Barcelona and showed his paintings at his first solo exhibition at the Vollard Gallery in 1901. Picasso's Blue Period is defined by the artist's preoccupation with images of human suffering, a subject matter that he conveyed in shades of blue. 700d810cd1 Clinton worked on the book during the United States Senate election in New York, 2000, often writing notes or text out longhand in between campaign stops. Writer Cheryl Merseur was stated to be assisting Clinton with the research and writing of the work; she met with Clinton twice during this period. The book was completed during summer 2000, but publication of it was held up until after the Senate election, to avoid the appearance that Clinton was using the book to

The first room in the White House to carry the name "Lincoln Bedroom" was in the northwest corner of the White House. It existed from 1929 (at which time it was changed from the Prince of Wales Bedroom) until 1961, when First Lady Jacqueline Kennedy transformed it into the President's Dining Room. 700d810cd1 This was a period of great emotional turmoil for the young artist. Throughout these early years, beginning in 1901, when Picasso was just 19 years old, he lived in poverty in Paris as a struggling artist. He also experienced the loss of his close friend, the Spanish poet Carles Casagemas, who committed suicide by shooting himself in the head at a dinner party... 700d810cd1 The room has been furnished in 1868 Federal style since the Truman reconstruction.
