Logic Pro original on January 7, 2012. Archived from the Logic Pro is a proprietary digital audio workstation (DAW) and MIDI sequencer software application for the macOS platform developed by Apple Inc. Apple acquired Emagic in 2002 and rebranded Logic to Logic Pro, adding it to their list of pro apps. It was the second most popular DAW – after Ableton Live – according to a survey conducted in 2015. In 2026, the software was included as part of the Apple Creator Studio suite of applications, though it remains available as a one-time purchase.
