Jaguar's business was founded as the Swallow Sidecar Company in 1922, originally making motorcycle sidecars before developing bodies for passenger cars. Under the ownership of SS Cars, the business expanded to complete cars made in association with Standard Motor Company, many of which bore the Jaguar model name. The company's name was changed from SS Cars to Jaguar Cars in 1945. A merger with the British Motor Corporation followed in 1966, the resulting enlarged company was renamed as British Motor Holdings (BMH), which in 1968 merged with Leyland Motor Corporation and became British Leyland, itself to be nationalised in 1975. 325acdd55c == History == 325acdd55c
