The continuous play offers free customization options for the start of the game. Similar to Civilization series, the players can decide on the size of the world in advance, determine the island types and toggle the advanced options such as "Disasters", "Plague", "Pirates", "Fire", and others. All twelve computer controlled opponents have their own personalities, preferences and difficulty levels. ed91acb5f1 The protesters perceived the trade pact with the People's Republic of China would hurt Taiwan's economy and leave it vulnerable to political pressure from Beijing, while advocates of the treaty argued that increased Chinese investment would provide a "necessary boost" to Taiwan's economy, that the still-unspecified details of the treaty's implementation could be worked out favorably for Taiwan, and that to "pull out" of the treaty by not ratifying it would damage Taiwan's international credibility. The protesters initially demanded the clause-by-clause review of the agreement be reinstated but later changed their demands toward the rejection of the trade pact, the passing of legislation allowing close monitoring of future agreements with China, and citizen... ed91acb5f1
