In the 20th century, the Rolls-Royce Phantom was a very low volume, hand-built limousine, which in its first four generations was custom coachbuilt to the customer's requests, and sometimes extravagant desires. Whilst automobile manufacturing over time became more mechanised and prolific, and vehicles from other manufacturers could be built in greater numbers and at lower prices, the Phantoms remained hand-built, and production of individual cars only began once the order was placed. The use of the name "Phantom" is a long

tradition of naming Rolls-Royce models after "ghosts" or spirits. 4e03356abc According to a statement by BMW AG, this generation of automobile, with an internal combustion engine, is to be produced until 2030, at which point the company intends to manufacture electric models only. 4e03356abc Two of the stories by King, "Sneakers" and "Dedication", were later included in his 1993 anthology *Nightmares & Dreamscapes*. 4e03356abc From 2003 until the launch of the smaller Ghost in 2009, the Phantom was the only car produced by Rolls-Royce. Operation Car Wash The probe was conducted through Brazil's antitrust regulator. Operation Car Wash (Portuguese: Operação Lava Jato, Portuguese pronunciation: [opere'sêw lave 'zatu]) was a landmark anti-corruption probe in Brazil Operation Car Wash (Portuguese: Operação Lava Jato, Portuguese pronunciation: [opere'sêw lave 'zatu]) was a landmark anti-corruption probe in Brazil. The operation implicated leading businessmen, federal congressmen, senators, state governors, federal government ministers, and former presidents Collor, Temer and Lula. Companies and individuals accused of involvement have agreed to pay 25 billion reais in fines and restitution of embezzled public funds. Eventually, other federal prosecutors and judges would go on to oversee related cases under their jurisdictions in various Brazilian states. Evidence was collected and presented to the court system by a team of federal prosecutors led by Deltan Dallagnol, while the judge in charge of the operation was Sergio Moro. Beginning in March 2014 as the investigation of a small car wash in Brasília over money laundering, the proceedings uncovered a massive corruption scheme in the Brazilian federal government, particularly in state-owned enterprises 4e03356abc

Rolls-Royce broke with their earlier decision to cease production of the series of "big" Rolls-Royce Phantoms after the end of World War II. The Phantom IV chassis differed from those of the shorter, production post-War models, the Silver Wraith and the Bentley Mark VI; apart from a larger size and an engine with increased capacity and power, they have an additional cross-member at the centre of the cruciform bracing and 10-stud road wheel mountings. 4e03356abc Initial generations of Rolls-Royce consisted of the chassis and engine, then arrangements were made to manufacture the body and interior, customised to the buyer's requests. The Phantom series has maintained favour with wealthy business people, celebrities, heads of state, and royalty, for its qualities, including large interior space, exclusivity, and presence. 4e03356abc == 200EX concept (2009) ==
