Perfect Master (Meher Baba) A Perfect Master, according to Baba, is a God-realized person (one whose limited individualized consciousness has

merged with God) who can use his Divine attributes of Infinite Power, Knowledge and Bliss for the spiritual upliftment of others. Perfect Master is a theological concept in Meher Baba's map of consciousness to denote the metaphysical state of a satguru (Vedanta) or a qutub (Sufism). Perfect Master is a theological concept in Meher Baba's map of consciousness to denote the metaphysical state of a satguru (Vedanta) or a qutub (Sufism) or an Apostle (Christianity).

In describing Meher Baba's specialized use of the term Charles Purdom writes, "The title 'Perfect Master' ... means one who has himself reached the goal to which he directs others: one who, pointing to God, has himself realized God." Fraser recalls being taught by her Christian Science father, who had a PhD from Columbia University, that matter was not real: "[M]atter was Error and error did not exist." In the 2019 afterword, Fraser describes her father's painful death from gangrene in his foot and his refusal to seek medical treatment for it, preferring to rely instead on Christian Science prayer. Dissatisfied with her present sexual partners, Wu, who at this point is a septuagenarian, summons an aide to bring her a Luoyang virgin named Xue Aocao (雪娥), who is rumoured to be extremely well-endowed. After personally examining his penis, Wu has sex with Xue... Bacon has been called the creator of empiricism. His works established and popularized inductive methodologies for scientific inquiry, often called the Baconian method, or simply the scientific method. His demand for a planned procedure of investigating all things natural marked a new turn in the rhetorical and theoretical framework for science, much of which still surrounds conceptions of proper methodology today.

Perfect fourth The term perfect identifies this

interval A fourth is a musical interval encompassing four staff positions in the music notation of Western culture, and a perfect fourth (P4) is the fourth spanning five semitones (half steps, or half tones). The perfect fourth may be derived from the harmonic series as the interval between the third and fourth harmonics. For example, the ascending interval from C to the next F is a perfect fourth, because the note F is the fifth semitone above C, and there are four staff positions between C and F
